

Aprio CFO Advisory

ADVANCE TO THE NEXT LEVEL WITH AN APRIO FRACTIONAL CFO

The strategic financial and operational guidance of an experienced chief financial officer (CFO) creates the foundation for sustainable growth and a competitive advantage. If you are facing growth opportunities without a full-time CFO, you don't have to go it alone.

Aprio CFO Advisory serves CEOs and business owners by providing part-time or Fractional CFOs until it's practical to hire this essential executive role in-house. Our experienced, forward-looking CFOs work with leadership teams to develop strategic business plans and advance financial planning and analysis for better decision-making.

The guidance of a skilled CFO can help you advance the key factors that drive successful growth:

- Gain the confidence of bankers, investors and board members.
- Proactively manage cash flow and gain access to capital.
- Establish the infrastructure for sustainable growth.
- Define the pathway to profitability and a clear destination.
- Strengthen financial planning and analysis for smarter decisions.

Launch, build, scale, exit

Where do you want to be in five years? What will it take to get there? Whether you need a strategic business plan or better insights for decision-making, Aprio CFO Advisory is uniquely positioned to offer a comprehensive CFO advisory platform across a national footprint. Leverage the power of a top 50 business advisory and CPA firm to define and realize your objectives.

Navigate high growth, capital raises and M&A transactions from a position of strength.
