

Aprio Talent Solutions

TECHNOLOGY, FINANCE AND ACCOUNTING STRATEGIC SEARCHES THAT IDENTIFIES THE BEST TALENT IN YOUR BUSINESS

Economic fluctuations have flooded the market with job seekers making it difficult for businesses in every industry to identify and hire top talent. From C-suite to staff level, Aprio Talent Solutions has a proven approach that enables our clients to attract the best talent in the business who are personally vetted and endorsed by our credentialed experts. That's what makes our talent solutions offering different than a traditional direct search and placement firm.

Leverage Aprio's network of experts

As a top 35, business advisory and CPA firm, Aprio leverages our trusted relationships and the individual networks of our industry-leading experts to access a diverse talent pool of over 1 million candidates and growing daily. Our deep network and unique integration of data intelligence and recruiting technology delivers high caliber, industry-specific candidates with proven track records of success.

Better talent faster

Aprio Talent Solutions' team members are comprised of highly skilled financial professionals and technologists who have built long-term robust relationships within their professional networks. Your candidates are personally vetted and endorsed by our credentialed experts, with industry-specific experience, so you spend less time reviewing resumes and more time selecting the best talent in the business.

Work the way you need to

We offer flexible and customizable solutions to optimize a return on your investment while simultaneously limiting employment risks. Our experienced talent solutions professionals work alongside you to ensure our services are tailored to your specific business and industry needs. Our service offerings include:

- Contract positions for defined statement-of-work projects
