

Transfer Pricing Solutions, Simplified

A LEADER IN THE FIELD, APRIO STREAMLINES TRANSFER PRICING DOCUMENTATION & COMPLIANCE FOR INTERNATIONAL BUSINESSES.

If you are considering selling an international business, seeking investment capital or expanding across borders, you need to make sure your transfer pricing approach and documentation are in order.

As the largest privately held international tax practice in the Southeastern US, Aprio has been delivering transfer pricing services for more than three decades. With industry-leading processes and deep transfer pricing expertise, our team can save you time and money while taking planning, compliance and reporting burdens off your plate.

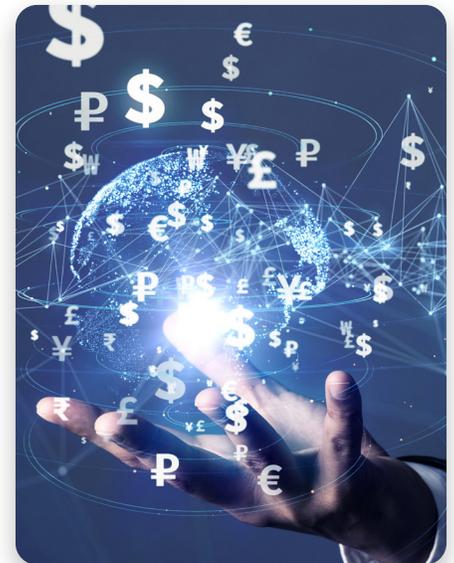

Reduce your global tax rate for less

Transfer pricing presents a unique opportunity to optimize your tax strategies, but it isn't a one-size-fits-all proposition. Aprio has developed transfer pricing solutions to serve international companies at every stage of their business lifecycle. Regardless of the size or stage of your company, we can tailor our transfer pricing services to meet your needs.

Stress less with Aprio's approach to transfer pricing studies

At Aprio, we are committed to delivering a better transfer pricing experience to our clients. We have developed a comprehensive, five-step process that creates less business disruption and delivers documentation that ensures regulatory compliance.

1. **Risk Assessment:** Our transfer pricing risk assessment analyzes all of your current transfer pricing policies on a country-by-country basis.
2. **Estimate Exposure:** Aprio's transfer pricing specialists analyze the results of the risk assessment to estimate exposure.
3. **Strategic Planning:** We develop and implement transfer pricing strategies that achieve overall tax objectives, while working with legal counsel to create intercompany agreements.
4. **Documentation:** Our team prepares all appropriate transfer pricing documentation, including the proper economic analyses for all material intercompany transactions.
5. **Controversy Support:** We stand behind our work and with you in providing expert support during transfer pricing controversies if they arise.

APRIO ADVISES

3,000+

international corporations and supports their US operations and expansion projects.

Leverage the power of a global partner

Aprio serves inbound clients across the globe. We provide the international accounting expertise you would expect from a large, global provider delivered by senior-level team members that speak business in 35+ languages.

Our firm is also an independent member of Morison Global, a network of 141 individual partner offices across 74 countries, supporting our clients' needs in the US and internationally. CPA firms within the network partner with Aprio to provide transfer pricing services to their clients.

Transfer pricing success by the numbers

12x Return on Investment

Aprio set up a \$50 million tax and transfer pricing structure that drove a \$600 million acquisition 2 years later.

0 IRS Changes

To date, the IRS has never requested changes to an Aprio client's transfer pricing documentation.
