

# ERP Solutions-Deltek

## MAXIMIZE THE VALUE OF YOUR INVESTMENT IN DELTEK

Are you looking for a better way to manage projects, people, and profitability while meeting DCAA guidelines? Aprio has led the market in the government contract and nonprofit ERP solutions for decades. As a trusted Deltek partner, Aprio implemented six Costpoint solutions before the software was released to the public.

Aprio's team of seasoned CPA and MBA process improvement specialists have the industry acumen and first-hand regulatory experience you need to optimize your ERP solution and your operations.

Partner with Aprio for fast access to comprehensive tax, audit and advisory services you need to manage compliance and profitable growth.

SERVING GOVERNMENT CONTRACTING AND NGO COMMUNITIES FOR OVER **30+ YEARS**

BUSINESS PROCESS IMPROVEMENT EXPERTS

**1,000+ SUCCESSFUL ENGAGEMENTS**

## What you can expect - better visibility & business growth

- **Manage project and finances:** Gain visibility to monitor projects, costs, and financial processes to invoice sooner.
- **Maintain compliance:** Establish compliance controls for the latest government accounting and cybersecurity regulations, including FAR, CAS and CMMC.
- **Increase productivity:** Leverage business intelligence and automation to make data driven decisions and align resources.

### Implementation and Deployment

Our seasoned team configures your optimal solution, migrates your data and trains your users.

### Rescue & Optimization

Get your system back up and running smoothly. Our team will diagnose the issue, implement a solution and restore your system.

### Support

Readily available technical support for system issues, maintenance, training, configuration and more.

Let's talk about your ERP solution.
