Resolve your most pressing practice challenges

When dental practice owners are worried about short-term financial concerns, they invest less in business needs that are essential to future growth. Whether you are an aspiring or seasoned practice owner,

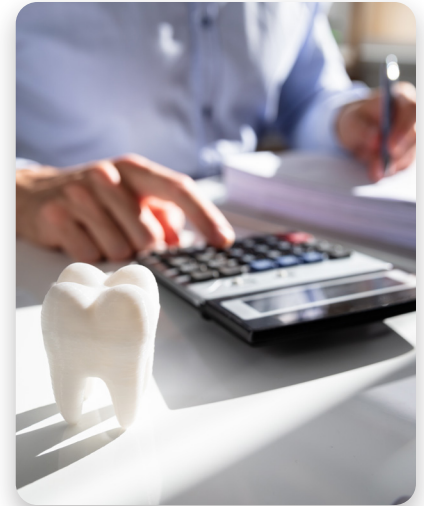

Aprio is here to help alleviate your pain points:

- Planning for the financial and business impact of major practice transitions, such as your eventual retirement or the sale of your practice.
- Acquiring the financing to build, equip and expand your existing practice or refinance debt.
- Improving and maintaining profitability amid economic turmoil.
- Finding tax savings and keeping up with tax law and regulatory changes.
- Securing your financial future and achieving retirement readiness.
- Improving your work-life balance by hiring and training a new associate to relieve your caseload.
- Managing the complexities of the startup process.

Empowering next-level practice growth

From single practitioners and multi-location practices to dental service organizations (DSOs), Aprio provides custom solutions for every stage of the dental practice lifecycle:

- ✓ **Tax & Accounting:** Aprio offers smart tax planning and timely access to accurate financial data that empowers practices to attain higher levels of profitability while building financial wealth and staying compliant.
- ✓ **Wealth Management:** Receive holistic and coordinated advice in personal tax planning, strategic investing and financial planning. Our advisors are committed to helping you achieve financial freedom while protecting and growing your personal wealth.
- ✓ **Practice Transitions:** From practice valuations to associate buy-ins to full-scale transitions, we guide owners through every aspect of the transition process. We can also help you develop a transition readiness plan and evaluate DSO offers to get the best deal.
- ✓ **Practice Financing:** Looking to buy another practice or refinance your existing practice loan? Our team has facilitated over \$1 billion in dental practice financing and can connect you with dental-specific lenders to find the most competitive rate.
- ✓ **Practice Consulting:** Benefit from a practice analysis and custom solutions designed to help you boost profitability and efficiency. We collaborate with practices to implement better systems and proper scheduling tools without increasing overhead costs.
- ✓ **Associate Placement:** Relieve burnout, accept more new patients and grow your capacity. Our team provides talent solutions to help source potential associate dentist candidates for specific opportunities.
- ✓ **Merchant Services:** Whether you are looking to cut costs, integrate payments or explore your options, Aprio provides you with a complimentary review and consultation of your current rates to create efficiencies and identify savings.
