

Custom-Designed Benefit Solutions

ACCESS PREMIER BENEFIT PLAN DESIGN AND COVERAGE TO BOOST EMPLOYEE MORALE AND RETENTION.

In today's tight job market, the quality of your employee benefits options can make or break your chances of attracting top talent.

At Aprio, we offer a range of customizable benefits options that meet the needs of both employers and employees. Whether you are a growing startup or a large multinational corporation, Aprio partners with your team to design a benefits package that improves your employees' well-being, maintains compliance, reduces administrative burdens and legal risks, and positions your company as an employer of choice.

Stand out in the market with cutting-edge benefits options

Aprio's benefits specialists collaborate with you to design a customized benefits package that fits your budget and goals. Plus, we provide ongoing support and communication that helps employees understand and appreciate the value of their benefits.

- ✓ **Health and Wellness:** Choose from a wide variety of health insurance plans (as well as COBRA outsourcing) from top-rated providers and ensure your employees have access to quality healthcare services and treatments. Aprio is proud to partner with innovative benefits platforms like Touchcare and Maven to provide concierge-style benefits consulting and support that allows your employees to get the care they need quickly.
- ✓ **Dental and Vision:** Keep your employees smiling and seeing clearly with Aprio's full-spectrum dental and vision insurance options. Our plans provide your employees with coverage for a range of services — from eye exams to dental cleanings and hygiene visits — at competitive, affordable prices.
- ✓ **Life and Disability Coverage:** Partner with Aprio to access life and disability coverage options that enable your employees to protect their loved ones and financially support themselves in the event of a serious, work-prohibiting disability or injury.
- ✓ **Retirement Plan:** Aside from insurance coverage, Aprio has the unique ability to assist you in providing your employees and executives with a comprehensive retirement plan. Aprio advisors handle all aspects of plan management, including investment oversight, employee education, vendor management, plan design and of course, ERISA compliance.. With nearly \$1 billion in retirement plan assets under management, our experienced retirement team will help ensure you offer the best retirement plan for your employees.
- ✓ **Flexible Spending Accounts (FSAs):** Partner with Aprio to provide your employees with access to FSAs, which allow them to set aside pre-tax dollars for qualified healthcare and dependent care expenses.

Don't let a lack of competitive benefits hold back your business.

Employee enrollment and education made simple

Ready to offer premier benefits options to your employees but dreading the administrative burden that goes along with it? Let Aprio take the reins. We provide our clients with a paper-free enrollment process that eliminates headaches for your HR team. As a single-source growth partner for all of your financial and benefits needs, our specialists can also offer impactful education that empowers employees to choose — and feel good about — the benefits options available to them.

Streamlined Sign Up

We configure your online enrollment platform based on your plan design and eligibility rules, while providing employees with login access to self-select their own options.

Empowering Education

Employees receive the education they need to compare coverage, plan deductibles and costs per pay period to make the best benefits decisions for themselves and their families.

24/7/365 Access

Our platform allows employees to easily access their benefits information and update documents year-round, which reduces hassles for your HR team and puts more time back in their days.

Robust Reporting

Create, track and export reports for the benefits metrics that matter most to your team, including enrollment summaries, plan participation and more.
