

## Aprio CFO Services

YOUR PREFERRED SOLUTION ANYTIME  
A CFO IS NEEDED

The strategic financial and operational guidance of an experienced chief financial officer (CFO) drives and enables growth.

### Solutions that fit

We can develop and provide CFO solutions for your current needs and strategic path:

Fractional CFOs (part-time) for family & founder-owned companies

Interim CFOs for portfolio companies of private equity firms

Permanent CFOs for any company

Be ready for your next inflection point: accelerated growth, capital raises, M&A transactions or the sale of your business.

To drive and enable growth at your business and position your business for sale, let's talk.
