

Comprehensive Solutions for Dentists

Build your practice with Aprio, the single-source financial growth partner for dental practices of all sizes.

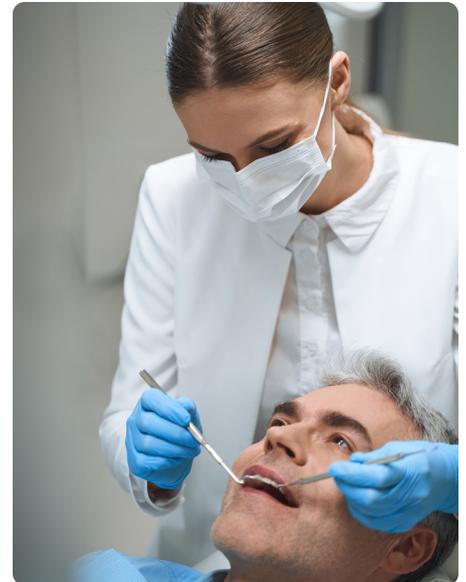

Your patients are your “why” and the reason you do what you do. To continue providing them with the best possible care and keep your practice running smoothly, you need the right professional guidance.

Whether you’re looking to buy into or sell a practice, launch a startup, grow your business, or plan for retirement, Aprio’s dedicated team of experienced dental industry business and financial advisors collaborate to maximize financial outcomes for dental professionals.

Resolve your most pressing practice challenge

When dental practice owners are worried about short-term financial concerns, they invest less in business needs that are essential to future growth. Whether you are an aspiring or seasoned practice owner, **Aprio is here to help alleviate your pain points:**

- Planning for the financial and business impact of major practice transitions, such as your eventual retirement or the sale of your practice.
- Acquiring the financing to build, equip and expand your existing practice or refinance debt.
- Improving and maintaining profitability amid economic turmoil.
- Finding tax savings and keeping up with tax law and regulatory changes.
- Securing your financial future and achieving retirement readiness.
- Improving your work-life balance by streamlining your practice operations.
- Managing the complexities of the startup process.

Empowering next-level practice growth

From single practitioners and multi-location practices to dental service organizations (DSOs), Aprio provides custom solutions for every stage of the dental practice lifecycle. Our dedicated Dental team delivers the industry acumen and comprehensive services you need to accelerate growth, expedite decision-making, and achieve optimal outcomes:

TAX & ACCOUNTING

Aprio offers smart tax planning and timely access to accurate financial data that empowers practices to attain higher levels of profitability while building financial wealth and staying compliant.

PRACTICE FINANCING

Looking to buy another practice or refinance your existing practice loan? our team has facilitated millions in dental practice financing and can connect you with dental-specific lenders to find the most competitive rate.

WEALTH MANAGEMENT

Receive holistic and coordinated advice in personal tax planning, strategic investing and financial planning. Our advisors are committed to helping you achieve financial freedom while protecting and growing your personal wealth.

PRACTICE CONSULTING

Benefit from a practice analysis and custom solutions designed to help you boost profitability and efficiency. We collaborate with practices to implement better systems and proper scheduling tools without increasing overhead costs.

STARTUP AND OWNERSHIP EVOLUTION

From building your own ideal practice and securing financing to planning associate buy-ins or practice expansions, we provide a strategic financial guidance, valuation experience, and trusted resources to help you maximize your practice.

PAYMENTS CONSULTING

Whether you are looking to cut costs with credit card fees, integrate payments or explore your options for process improvements, Aprio provides you with a complimentary review and consultation of your current rates to create efficiencies and identify savings.

About Aprio

Since 1952, clients around the globe have trusted Aprio as a premier business advisory and accounting firm. Aprio delivers advisory, audit, tax, managed and private client services to build value, drive growth, manage risk and protect wealth.
