

# Solutions for Practice Ownership

Aprio's dental CPAs and advisors guide dentists in making ownership decisions that strengthen long-term value—whether buying an existing practice, launching a startup, or combining approaches. We provide valuation insight, drive financial planning, and coordinate startup activities to empower confident next steps.

## Ownership Strategy & Startup Planning

Guidance for dentists navigating startup, buy-in, and ownership evolution decisions

- Assess opportunities to support informed market entry decisions
- Align early financial and tax planning with ownership goals
- Enhance the startup process with a coordinated team of advisors
- Shape decisions to support long-term growth and value

### Reasons Clients Choose Aprio

**DENTAL-FOCUSED TRANSACTION EXPERIENCE:**  
Grounded in the financial and operational realities of dental practice transactions.

**CLEAR SCOPE & TRANSPARENT FEES:**  
Defined scope and transparent fees, so you know what to expect from the start.

**STARTUP-READY OWNERSHIP COORDINATION:**  
Align valuation, financial planning, and startup decisions during the ownership journey

## Due Diligence & Deal Execution

Represents buyers through diligence and transaction closing

- Validate financial and operational performance to reduce risk
- Apply valuation insight to inform pricing, structure, and risk
- Support negotiations and execution to improve deal outcomes
- Enable confident ownership decisions through closing and beyond

## Who We Serve

We serve dentists at every ownership stage, including emerging associates, startups, multi-owner and multi-location practices, and established owners.

Aprio can help you through any stage of your practice, from financing to transitioning into buying, growing, and scaling.
