RUN YOUR BUSINESS ON A WORLD-CLASS ACCOUNTING PLATFORM FOR LESS

World-class technology for better decision making

As an Aprio Outsourced Accounting Services customer, your business will operate on the NetSuite platform for a fraction of the cost. NetSuite's real-time dashboards, budgeting and reporting provide better decision support for growing businesses of all sizes. NetSuite's cloud-based platform provides secure access from any internet-connected device, and our AP workflow and payment automation system lets you stay on top of AP approval and cash flow.

Custom service levels that meet your needs

Our basic plan covers many core business functions, but we can tailor a plan to meet your specific business needs. Transaction volume and business requirements drive service and cost estimates more so than revenue. Our team will perform a comprehensive assessment of your business and present a detailed proposal and implementation plan, including service, cost and transition details. Our streamlined onboarding process ensures a smooth transition. Aprio is also now a payroll provider, enabling us to serve as a single-source partner for all of your financial, payroll and HR service needs. Our payroll and benefits system integrates seamlessly with NetSuite to give you a 360° view of your business. One partner. One platform.

Our Advanced Outsourced Accounting plan includes:

- AP / Bill Payments
- Employee Expenses
- AR Cash Receipts
- Payroll Processing
- Financial Reports
- Bank Reconciliation
- Month-End / GL Reconciliation

Additional services available include: tax returns, billing, commission reporting, budgeting and forecasting and benchmark reporting. During the initial evaluation, we will identify any other additional services your business may require.
