

International Services

THE POWER TO TAKE YOUR BUSINESS TO NEW PLACES

The financial complexities of today's world economy place remarkable demands on international companies and challenge efficient cross-border operations. Profitable growth requires trusted business advisors with a global perspective that can provide international tax and accounting expertise, as well as the cultural insights that drive local success. That's why clients throughout the U.S. and in more than 40 countries count on Aprio to build value, manage risk and drive growth.

YOUR BUSINESS WITHOUT BORDERS

International companies must continually seek greater efficiencies in the coordination of multi-country tax planning to remain competitive and profitable. As one of the largest international tax, accounting and business advisory practices in the southeastern U.S., Aprio helps global businesses cross borders and thrive. Today, over 30 percent of our firm's revenue is tied to international companies - both U.S. companies doing business abroad and U.S. subsidiaries of foreign-owned companies.

Profitable growth requires trusted business advisors with a global perspective that can provide international tax and accounting expertise, as well as the cultural insights that drive local success.

OUR INTERNATIONAL SERVICES INCLUDE:

- Transfer pricing
- Structuring global businesses for worldwide tax efficiencies
- Tax-efficient profit repatriation strategies
- U.S. tax compliance for international companies and individuals
- Export tax incentives
- Global mobility tax services for expats and impats
- Multicurrency financial statement audits
- IFRS, U.S. GAAP and foreign GAAP conversion
- Cross-border transaction due diligence
- Structuring foreign holding companies and migrating IP

Aprio also offers a broad range of specialty services including merger and acquisition due diligence, business valuation, forensic accounting and litigation support, information risk management and cyber security, outsourced accounting, retirement plan administration and payroll services.

WE UNDERSTAND

When conducting business in a new country, there is nothing more comforting than the sound of your native language. To ensure that communication flows smoothly, Aprio has professionals who speak over 25 different languages including Russian, Chinese, German, Spanish, Japanese and Korean.

We understand the challenges of relocating a family to a new country because 25 percent of our professionals have immigrated to the United States. Businesses get up and running faster when families are happy, so we are always happy to help our clients acclimate.

THE REACH OF A GLOBAL NETWORK

Through our proud partnership with Morison KSi, Aprio clients enjoy the consistency of service and reach of a robust international network. Morison KSi is a global association of leading professional services firms, established to meet the cross-border accounting, auditing, tax and business consulting needs of international clients. With 164 individual member firms in 88 countries, this enhanced global footprint delivers clients the expertise they need, wherever they are and wherever they want to go.

About Aprio

Since 1952, clients throughout the U.S. and in more than 40 countries have counted on Aprio to build value, manage risk and drive growth. As a nationally-recognized tax, accounting and business consulting firm headquartered in Atlanta, our expertise across a broad range of services and industries provides clients with winning financial practices and insights to help them grow at every stage of their business lifecycle.
