

Litigation Support and Forensic Accounting Services

WHEN SELECTING EXPERTS, EXPERIENCE MATTERS

When it comes to litigation support and forensic accounting matters, who you have in the foxhole with you is a critical choice. Unresolved disputes can turn into lawsuits won or lost by the choice you made months earlier when selecting a financial expert. As a trusted advisor, we bring you the specialized knowledge, experience and resources to resolve your dispute quickly.

Aprio's forensic accounting specialists include professionals who are certified public accountants, fraud examiners, master analysts in financial forensics, valuation analysts, accredited senior appraisers, certified in financial forensics and accredited in business valuation. Our accounting expertise is complemented by significant real world experience as chief executive officers, chief operating officers and chief financial officers. Our professionals have decades of experience providing depositions and testimony in federal and state courts, arbitration, mediation and regulatory proceedings, including insurance appraisal forums.

We have assisted national and international clients on matters ranging from internal investigations, complex accounting and auditing issues to bankruptcy and commercial litigation, complex damages, business valuations and mergers and acquisitions (M&A). The industry expertise that you will receive is invaluable.

Each engagement we accept is staffed with a team of dedicated professionals with the relevant experience and skills pertinent to the matter. Our litigation consultants provide thorough research and establish sound foundations for opinions that enable you to successfully communicate your case. They are backed by the full Aprio team with over 65 years of financial and accounting experience in a wide variety of industries and businesses.

Our professionals have decades of experience providing depositions and testimony in federal and state courts, arbitration, mediation and regulatory proceedings, including insurance appraisal.
