

Professional-Grade Reconciliation

A SERVICE THAT HELPS TITLE AGENTS AND CLOSING ATTORNEYS SAFEGUARD THEIR CLIENT'S FUNDS

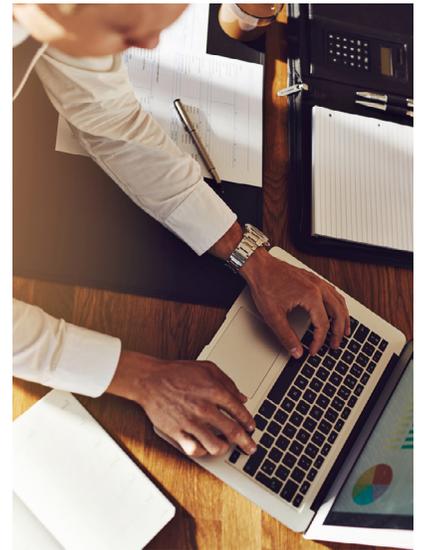

Effective reconciliation and efficient bookkeeping are essential to your success. Paired with RynohLive's industry-leading automation platform, Aprio offers a professional-grade reconciliation solution for title agents and closing attorneys. The integrated service provides an unparalleled level of data security, transaction monitoring, fraud detection, audit readiness and professional independence. This efficient and cost-effective solution allows agents to better utilize their human resources, focus on their core competencies, ensure their compliance and streamline their operations. You benefit from the expertise and experience of two of the most recognized service providers in the title industry.

Tangible benefits for title agents:

- **Peace of mind:** Know that reconciliations are executed properly, timely, consistently and with the highest accuracy.
- **Reduced risk:** Lower the risk of fraud and accounting and banking mistakes.
- **Simpler audits:** Minimize the typical business disruptions associated with the audit process.
- **Your people stay focused on revenue generation:** Better utilize your human resources and apply your core competencies to support profitable growth.

Reconciliation Services Include:

- Clean-up/catch-up bookkeeping
- Daily and monthly three-way reconciliation of fiduciary accounts
- Daily and monthly two-way reconciliation of non-fiduciary accounts
- Monitor and identify abnormal transactions on a real time basis
- Identify "hidden" items
- Correct bookkeeping and banking errors

The integrated service provides an unparalleled level of data security, transaction monitoring, fraud detection, audit readiness and professional independence.
