

Aprio "Legal Ease" for Law Firms

THE ONE-STOP ACCOUNTING AND TAX SOLUTION THAT WILL SAVE YOU TIME AND MONEY

Managing the accounting and tax functions of a growing law firm comes with formidable challenges that can significantly impact both the profitability of the firm and the personal finances of its partners. Managing the minutiae of staff turnover, expense reports, payroll and benefits data and the K1s for multiple partners and their CPAs can become a balancing act that can lead to costly errors.

Aprio provides an integrated suite of accounting and financial services especially tailored to the needs of growing law firms. This coordinated approach simplifies accounting functions to help your firm and partners:

- Save time and money, reduce tax liabilities and mitigate compliance risks
- Reduce accounting tasks so your team can focus on more strategic initiatives
- Make better business decisions to grow the firm and its practices

Experience a better way to manage profitable growth

Enjoy peace of mind knowing that all of your tax and accounting needs are being coordinated by a team of professionals managed by your CPA advisor.

An advisory partner for your partnership

As a professional services firm ourselves, we understand the challenges partnerships face. Aprio's Professional Services group works with law firms across the Southeast. We merged our legal industry expertise with our own experiences to create our "Legal Ease" services suite.

Let Aprio align the tax and accounting strategies for your firm and partners. Enjoy peace of mind knowing that all of your tax and accounting needs are being coordinated by a team of professionals managed by your CPA advisor. Get the custom services and expert advice your firm needs to manage profitable growth and maximize earnings with ease.

Aprio "Legal Ease"

Services and advice that make it easier to keep everything in sync

If you are wasting precious time connecting the dots between internal accounting, payroll, benefits, and business and personal tax providers, you may be placing yourself at risk and leaving money on the table. Aprio "Legal Ease" services include:

Tax Strategy and Planning: Align your business and individual tax strategies to minimize tax liabilities and maximize earnings.

Outsourced Accounting Services: Save time and money with a dedicated team of accounting professionals delivering service on a secure cloud-based platform. Track essential KPIs while experiencing an easier way to manage accounts payable, expenses, reconciliation and more.

Outsourced Payroll: Save time and money by minimizing common errors that create costly payroll tax and compliance risks. Work with a dedicated team of professionals that know your business and deliver uncompromising customer service.

CFO Services: Gain objective advice and greater strategic insight into your business and finance initiatives with our CFO services.

Retirement Plan Administration: Our plan advisory and third-party administration services make it easier to minimize the compliance risks and personal liabilities associated with maintaining a competitive retirement plan.

Monthly and Quarterly Reporting: Get high-quality monthly financial reports that satisfy the needs of your stakeholders and are easy to read. Our quarterly meetings will help you track KPIs that drive strategic growth and keep accounting and finance projects on track.

Private Client Services: Help your partners align their personal tax and investment strategies to minimize tax liabilities and maximize returns to generate long-term financial success.

About Aprio

Since 1952, clients throughout the U.S. and across more than 40 countries have trusted Aprio for guidance on how to achieve what's next. As a premier, CPA-led professional services firm, Aprio delivers advisory, assurance, tax and private client services to build value, drive growth, manage risk and protect wealth. With proven expertise and genuine care, Aprio serves individuals and businesses, from promising startups to market leaders alike.
